FROM THE EAST

Dear Brethren, Ladies, and Friends,

Summer is nearly upon us. Our degree work progresses well. We have many candidates, and difficulty scheduling all the degrees. Please turn out and attend a degree some time. New members of our fraternity are well served by a well attended degree, and there is always something to learn--even for a Past Master.

June brings us a Third Degree conferred by the Chinese Acacia Club. Any who have ever attended a degree by this esteemed organization will testify that they do wonderful work, and are quite a treat to see. Don't miss this degree scheduled for the 30th of June.

Next month (July, 2009) will feature our Annual Golf Tournament, scheduled for the 25th of July. Look for the flyer for this great event.

Next month will also feature our Table Lodge event--scheduled for July 21st. See the attached flyer for this fun and historical event.

Best to all,

**William P. Arney
Worshipful Master**

FROM THE WEST

It's half way through the year and I'm still trying to figure out how to do my job. At the Senior Warden's Retreat, one of the topics mentioned was the advancement of candidates. There are a number of candidates who aren't being raised to the degree of Master Mason. It was mentioned at the retreat, that there are about 8,300 Entered Apprentice and Fellow Craft Masons. Our lodge has a few candidates in that category who could use your help. Our candidates need coaches. Anyone can be a coach and if you would like to help, please email me at LCL9@PACBELL.NET or leave a message at 415-362-8008. Thanks.

**Lawrence Leon
Senior Warden**

FROM THE SOUTH

Brethren-

Worshipful Bill Arney and Worshipful Ted Lyau recently sent the Cal #1 officers an updated list of all of our candidates -- newly-applied, Entered Apprentices and Fellow Crafts, all awaiting dates to be assigned for their upcoming degrees. That list is available, if you'd like to take a look -- and, in my estimation, this list is a terrific barometer for Cal #1. While Worshipful Arney is probably a little anxious about how we're going to fit all of these degrees into our schedule - and who can blame him, it's a daunting task! - it's apparent that our "ancient and honorable fraternity" is not only surviving, it's expanding and vital. Given the stories of woe I read in the various masonic periodicals to which I subscribe (and by "woe," of course I mean the near-constant lament that our numbers are shrinking and our end is almost certainly near), it's refreshing to see that, at least at Cal #1, we're getting the job done!

Please join us for as many of the upcoming degree nights as possible - I promise it will be worth your time, and believe me, the officers genuinely appreciate the support.

See you soon --
