FROM THE EAST

April is Public Schools Month in California. Past Grand Master Charles Adams first proclaimed Public Schools Week in 1919 to focus attention on the decline of public schools, since the shortage of teachers after World War I had deteriorated the quality of education. Ever since, each succeeding California Grand Master has continued the observance of Public Schools Week, which is now Public Schools Month, each April. We do our part by supporting the teachers and students of Jose Ortega Elementary School. Our relationship started when Worshipful John Bermudez adopted them during his year. Worshipful Bill Arney continued our support, providing the school with a computer lab consisting of 6 new iMacs. During our stated meeting the principal from Jose Ortega School, JoLynn Washington was able to join us.

During our school of instruction, we had an informative presentation on our Masonic Homes, and the myths and legends around them. Yes, the money that we give to our members and spouses actually goes to them. The money that we donate to the Masonic Homes goes to a good cause. We heard touching tales of how members and widows in desperate need were taken care of in a matter of days.

During the rest of April, we had first and second degrees.

In May, we will embark on our 15-day Carribean to California cruise, including 8 ports of call, starting from Ft. Lauderdale, traveling through the Panama Canal, finally arriving back in San Francisco.

Other upcoming events include another Saturday Degree on May 29, and we will be presenting a 75 year pin during our June stated meeting.

Lawrence Leon
Worshipful Master

FROM THE WEST

It seems like I can hardly wait for Tuesday evenings, there is always something going on with in the Lodge. It was very inspiring to listen to JoLynn Washington; the Principal of Jose Ortega Elementary School bring everyone up to date on what is happening within our adoptive school, during our April stated meeting dinner. We can be proud of what Jose Ortega School has accomplished and how much more they will achieve with our assistance. To aid in our quest for excellence Worshipful Leon has appointed Ron Erickson, PM to Chair our Public Schools Committee. Congratulations Brother Erickson, PM!

The Lodge officers were busy in April preparing and conducting first and second degrees. May will be an equally busy month, with those officers who are holding down the fort, while the Lodge members and guest are traveling through the Panama Cannel, will find some extra time to practice in advance stations for the various degrees. We are looking at a Third Degree in May and additional degrees in June. Might I add, attending a degree night is a wonderful way to get reconnected with your lodge and the degrees are near perfect.

While we are taking of Lodge business, let's not forget that May 9 is Mother's Day. I hope everyone will find time to reflect on how much we owe to our Moms. To all the Moms a very Happy Mother's Day!

Monday, May 31 is Memorial Day; the Lodge is planning a special pilgrimage to our Lodge Cemetery Plots at Holy Cross and Woodlawn Cemeteries. (See attached flyer) This will allow us a little time to pay tribute to all of our Brethren who have gone this way before. As I close my article you can see we are all just a little busy, but we hope you will put aside a little time to visit with your Lodge brethren. Just call or email our Secretary Ted Lyau, PM 415-337-1979 or email tedlyau-149@sbcglobal.net. You will be glad you did! If there is something you think we should be doing and are not, please let me know.

Sincerely and Fraternally,

Richard J. Modolo
Senior Warden

FROM THE SOUTH

Hello Brethren:

April has been a great month for degrees. A couple of first degrees and some second degrees as well. Our officers and degree team have been working hard to keep the degree work at the highest standards, and I am grateful to be in such great company. May will be a busy month for the officers, but mostly with regard to life outside the lodge. Our trip to Panama is the main event for this coming month, and we look forward to hearing tales of fraternal mirth at sea. Personally, I will be at home tending to the newest addition to the family, which is due early in May. As a result, I will likely be unable to make it to our May stated meeting, but I look forward to catching up with everyone in June.

Jerome Nilmeier
Junior Warden
