*From The West*

Aloha from the West!

June is now upon us, and as I write this report I am pleased to welcome our newest Mason, Bro. Chris Borgnine who was initiated on May 13, 2009. Look for him in coaching under the watchful eyes of Brother Aaron. On May 20, I was pleased to act as Master and pass Br. George Metru and Br. Lucian Stanescu into the degree of Fellowcraft and finally, on May 27 Wo. Art was in the East as we raised brother Alan Rossman into the Sublime Degree of Master Mason. On behalf of the officers, I offer a hearty congratulations and welcome to these brothers!

Brethren - Please join us every Thursday for the conferral of degrees - help us welcome our new brothers!

*Steve Mahr,*  
Senior Warden

The Monthly Building Association meeting has been moved to the last **Monday** of every month. All member Masons are welcome to attend.

**TEN MASTER MASONS—Author Unknown**

Ten Master Masons, happy, doing fine;  
One listened to a rumor, then there were nine.  
Nine Master Masons, faithful, never late;  
One didn't like the "Master," then there were eight.  
Eight Master Masons, on their way to heaven;  
One joined too many clubs, then there were seven.  
Seven Master Masons, life dealt some hard licks;  
One grew discouraged, then there were six.  
Six Master Masons, all very much alive;  
One lost his interest, then there were five.  
Five Master Masons, wishing there were more;  
Got into a great dispute, then there were four.  
Four Master Masons, busy as could be;  
One didn't like the programs, then there were three.

### From The East

Dear Brethren,

As we come into the month of June, I am amazed at how fast this year is rolling by. The end of this month marks the half-way point in the year. The officers will begin qualifying for their positions in next year's line. We continue to welcome our new brethren and mourn the loss of those brothers who have left us to sit in the Supreme lodge where our Great Creator presides.

At this time, I reflect back to my installation and remember my asking the Brethren to come home and start participation once again in Lodge Activities specifically because as a lodge we need to wake up and come together. The Lodge is just too big with too many fun things to do for just a few people to enjoy them, (yes I am including our ladies in this message as well). Together with our size membership these can be fun and exciting events to build upon. I ask you Brother Masons, why did you become a Mason? What has changed? What can be done to get you to feel that way again? Hollywood Lodge and the Lodges that have become a part of us have a rich and powerful history. It is time however, that we get up, put down the TV remote, shake off the cobwebs and come back to visit your other family. We miss you. It is time for Hollywood Lodge #355 to once again begin to make the history that our future brothers will reflect upon and they themselves become inspired by.

As such, I reach out to you. Take my hand,  
Fraternally,  
*Arthur Melendez*  
Master, Hollywood Lodge #355

#### **...continued from page 1**

Three Master Masons, was one of them you?  
One grew tired of all the work, then there were two.  
Two Master Masons with so much to be done;  
One said "What's the use," then there was one.  
One Master Mason, found a brother -- true!  
Brought him to the Lodge, then there were two.  
Two Master Masons didn't find work a bore;  
Each brought another, then there were four.  
Four Master Masons saved their Lodges fate;  
By showing others kindness, then there were eight.  
Eight Master Masons, loving their Lodges bright sheen;  
Talked so much about it, they soon counted sixteen.  
Sixteen Master Masons, to their obligations true;  
Were pleased when their number went to thirty-two.  
So we can't put our troubles at the Lodges door;  
It's our fault for harming the Lodge we adore.  
Don't fuss about the programs or the Master in the East;  
Keep your obligation by serving even the very least.

### June Birthdays

Happy Birthday To Members of Hollywood Lodge #355  
If your name is not here, please contact the Editor
