I know that some of you have already heard rumors of the change which has occurred in the Secretary's Office.

Let me assure you that, while there will be a (hopefully short) period of adjustment, your line of officers has the situation completely in hand.

I would like to, at this time, thank all of the officers for their support and hard work during this transition period... Especially Worshipful Fred West who has stepped in as our new Secretary, and who with the help of Worshipful John Champion and myself, is working hard to reorganize and reformat the way things are done.

Thank you all for your continued support.

Fraternally,
Russell Jaeger
Master

The New "Chips" format

This new layout has been designed under the direction of our Master to reduce the cost of printing and mailing the Chips, in our ongoing effort to be fiscally responsible during these lean times.

From The East

Brethren and Ladies,

A hearty greeting from the East: First of all, you will all notice the change in format to our trestle board. This was done this for a few of reasons. The most notable being that we are attempting to cut our expenses across the board this year. Additionally, under the old format, it took a considerable amount of time and labor to put it together. We hope that with this new format, we will be able to get you the most current information in a timely manner.

I would also like to briefly address some of the changes that are happening here at Hollywood Lodge. (continued on back panel)

From The West

Brethren, this March we are finally going to see some Third Degrees! Brother Vince Winters is scheduled

for Thursday March 12 and Brother Mark Thie is March 26. Both have made the necessary proficiencies in the lectures of the Fellow Craft degree.

These will be our first 3rd degree ceremonies of the year. Please come and show your support for our new Master Masons to be. As has been the custom lately, a reminder e-mail should be coming out a day or so before, but mark your calendars now and free up some time for some fraternal fun.

Brother Vince Winters is a Lawyer practicing in the San Fernando Valley area. Brother Mark Thie is a Real Estate Agent with a background in Marketing. Both Brothers have progressed through their degrees, both giving 'Full Form' proficiencies for each preceding degree. Both are great guys and well worth the drive to Lodge to get to know.

Hope to see you!

Fraternally,
Arthur Melendez
