January 2004

Here we go again. Hopefully, the third time will be a charm. I would like to thank all of the brothers who brought food for our Installation potluck. I would also like to thank Brothers Indelicato and Eychaner for their excellent work in the installation ceremony. I think the installation went well. It was good to have the Most Worshipful Al Weis, Past Grand Master of Masons in California, in our lodge again. It was also good to see a line of Wardens, Deacons and Stewarts that did not include any "Past Masters". The future of this lodge lies within the strength of its line. Having new faces in the line insures that the lodge does indeed have a future.

We are going to get off to a fast start this year. Brother Ed McLean has made a request to receive his second degree on January 20 and his third degree on January 27. We will be having a practice for both degrees on January 13. Hopefully, we can squeeze in additional practices for each degree.

Other upcoming events:

SCHOOL OF INSTRUCTION

There will be an Officers School of Instruction on January 18 at 7PM in Modesto. All officers should be plan to attend. Other members are also welcome to attend. These schools provide an excellent opportunity to get familiar with the ritual work for the various degrees.

LADIES TEA

Our annual Ladies Tea will be held on Sunday, February 13 at 1:30 p.m. Join us and renew some friendships.

CRAB FEED

Our annual crab fee is scheduled for March 26. Now's the time to get out there and hustle those Crab Feed tickets. I can't overstress how important this event is to our programs this and every year....so sell, sell, sell!
