October 2004

Brother Pat Mullin will be serving chicken cordon bleu for our October 7th Stated Meeting dinner, so save the date and bring a big appetite.

We will be attending the 155th Annual Communication of Grand Lodge on Monday, October 10th so let your officers know how you feel about any upcoming legislation. Unless you tell us your preferences we can only vote and item as we see it.

Hiram Award

For reasons which I still don't understand my Brothers have seen fit to bestow the Hiram Award upon me. I am deeply honored to receive this prestigious award. I promise to keep the presentation ceremony short and sweet, when I say "short" you all know by know by now that I am not much of a public speaker, so for my part there will be no long speeches, and "sweet", in keeping with my fondness for potlucks, I am asking everyone to bring their favorite dessert. My doctor currently has me on a diet and I see this auspicious occasion as a perfect opportunity to cheat a little. Please join us at the Lodge at 2pm October 16th.

YOUTH ORDERS

Brother Grizzle informs me that our DeMolay Chapter is getting back on its feet but is still in need of more new members. If you know of a young man that you could recommend please contact Brother Grizzle.

Our Rainbow Assembly is doing well. The Worthy Advisor for the upcoming term is Christine Timothy. They recently initiated three new members and will soon be doing their term fundraiser – ENCHILADA TRAYS. The girls will take orders at the Stated Dinner on the 7th and make the trays on November 20th.

The Assembly will be attending Youth Day at both Grand Lodge and Grand Chapter (Eastern Star) so if you have a daughter, granddaughter, etc. in Rainbow please plan to attend and support their Assembly. Our own Jolene Morris, member of the Grand Executive Committee and Grand Lecturer 2005 has been asked to speak at Youth Day at Grand Chapter in Bakersfield so this day would be a great opportunity to show how much we appreciate our youth.
