**SUNRISE MESSAGE**

As this Trestleboard is to be distributed at the end of December, I and the officers of 2010 want to extend to all our members and Sweethearts a wish for them and their loved ones to enjoy a Blessed Holiday Season. May Joy, Love and Prosperity be with all of you through Christmas and the ensuing year.

Since this is the season for some feasting, I have taken the liberty of setting up menus for each month for next year. I did this hoping that we can now find volunteer to host the meal. This year I will attempt to take reservation for each lunch. This way we can better plan how much food to make.

I have tried to simplify the meals. It is a lunch and should not be too heavy.

Each concierge may change the menu, just let me know before the trestleboard is published so I can have the right information for each meal.

I made tentative meal schedule for the year. I hope we will have brethren sign up to oversee each month's meal. Once someone takes responsibility, I will place his name in TB for that month.

Any brother wishing to host a Pot Luck, is welcome. He will be the coordinator and make the arrangements with those bringing dishes. The Lodge will provide beverages for all the meals.

Looking forward to a successful year.  
Ernie Castillo - WM

**LIFE BEFORE THE COMPUTER**

- \* Memory was something that you lost with age
- \* An application was for employment
- \* A program was a TV show
- \* A cursor used profanity
  - \* A keyboard was a piano
  - \* A web was a spider's home
  - \* A virus was the flu
  - \* A CD was a bank account
- \* A hard drive was a long trip on the road
- \* A mouse pad was where a mouse lived
- \* And if you had a 3 1/2 inch floppy ...you just hoped nobody found out
